

SENDERO HEALTH PLANS

Founded in 2011, **Sendero Health Plans** is Central Health's nonprofit, community-based health maintenance organization (HMO).

Mission: Sendero is dedicated to improving the health of the community by providing affordable, quality health care coverage.

Since 2011, Central Health has invested \$108 million in Sendero. By the end of 2019, Sendero will have provided over \$550 million in services to over 175,000 members of the community through more than 2.5 million encounters.

The organization serves residents of Travis, Hays, Bastrop, Burnet, Lee, Caldwell, Fayette and Williamson counties.
