When You Just Can't Wait – Convenient Care/Walk-In Services

Cuando no puede esperar – Convenientes servicios y atención sin cita

If you are experiencing an illness or minor injury that needs prompt care after-hours, we now have a walk-in clinic with expanded hours at our Hancock and Southeast Health and Wellness Center locations. During office hours, we ask that you first call your primary care provider to see if he or she can see you that day. If not, your provider will refer you to one of these two locations.

Si está enfermo o tiene alguna lesión menor y necesita atención con prontitud después del horario regular, los centros de salud de Hancock y Southeast Health and Wellness Center ahora tienen un horario extendido sin la necesidad de pedir una cita. Durante las horas de consulta, le pedimos que primero llame a su proveedor de atención primaria para ver si lo puede atender ese día. Si no puede, su proveedor lo remitirá a uno de estos dos centros.
